Next meeting agenda November 2, 2000:

- ❖ We will discuss and play with Charlie's Game Finder, the infrared detector. A 26 minute video came with the unit. Charlie said it is very informative. The video and basic tracking skills discussion will be the program.

Minutes of last meeting October 5, 2000:

- ❖ Treasury Report----- \$901.28
- ❖ General discussion of first few days of archery season. Experiences, sightings and stories. None present at the meetings had brought home more than stick-tites. Kelly discussed starting a phone list among members to aid in trailing/retrieving deer. Kerwin will compile list with numbers to call and email out/make copies. All present at the Oct 5th meeting expressed interest to be on the list and if you would like to be included in the list, just contact Kelly, Kerwin or Allen. Kelly also reminded all of the Share the Harvest program in which Shelter Insurance assists in the cost of processing a donated deer to the needy.
- ❖ Additional discussion of Texas Hog Hunting, Jeff Massie is looking for suitable property to conduct hunt on and will keep us informed.
- ❖ Kelly spoke of European skull mounting and the trials and tribulations of skull boiling. One word to remember: OUTSIDE! Handouts were included which he had downloaded from www.edersbow.com
- ❖ **TENATIVE** future programs schedule were discussed.
 - November 2nd-- Deer Processing by Glen Olinger. Glen is a expert butcher and did this for us last year and it was felt another demonstration would be helpful. Of course, we'll need a deer. So, the first clean deer (double lung, quick recovery) that contacts Kelly Veach ,Oct 28th to Nov 2nd, will be the deer we use. Arrangements have been made to store carcass until the meeting. Not sure where the meeting will take place, but stay tuned for more info.
 - December 7th-- Trophy Care in the field/Bow Making by David Megan
 - January 4th--Deer Aging
 - February 8th-- Wild Game Supper
 - March Meeting-- Food plot management
 - **AS MENTIONED EARLIER, THIS IS ALL TENATIVE.** When all is finalized, it will be released.
- ❖ Respectfully submitted
 - Allen Bock
