# Columbia Area Archers

## Newsletter

<http://clubs.bowhunting.net/caa/caa.htm>

---

### ***Next meeting agenda Thursday, March 1, 2001 7:00pm:***

- ❖ MO Deer Classic discussion and work schedule.
- ❖ Range Repair discussion and work date set.
- ❖ A Day with Wildlife discussion and work schedule.

### ***Minutes of last meeting February 1, 2001:***

- ❖ This meeting was our wild game supper night and dishes of deer, elk, goose, javelina and Kelly's free-range chicken were the fare for the evening followed by a slide presentation by Steve Hohensee. Steve is the United Bowhunters of Missouri St. Louis area representative. Since he was heading to Jefferson City for that weekend's UBM Festival, he was kind enough to share with us his experiences of hunting across the globe. Everyone enjoyed the stories and pictures of caribou, bear, hog, Spanish goat and my favorite, mountain goat. It will be hard to top this as a program in future meetings, but if members can do so, please do! Hats off to Rick Lanham for getting Steve to come to the meeting. A sidebar note: Steve was informed the next day that he will be moving to Alaska for work. Lucky guy! The Mecca of hunting just got closer for him.
- ❖ Charlie Langreder talked about the recent MBH elections.
  - Butch Herold of Palmyra, MO is the new President.
  - I encourage everyone to become a member of MBH this year.
- ❖ We discussed and passed around a sign-up sheet to assist Charlie Davidson with the 4-H Kids Shooting Booth.
  - At this writing, I have been informed by Charlie that the AMO Shooting Booth will not be available anymore. The Archery Manufacturers Organization have decided to sell the equipment that, in the past, has been available for the asking. This is sad as it provided hands-on exposure of the sport of archery to kids and also raised money for the local 4-H groups.
  - While on the subject of the Deer Classic, don't forget, it's being held March 3rd and 4th at the Boone County Fairgrounds.
- ❖ Charlie also spoke of Kemper Military Academy in Boonville's interest in starting an archery program and they have asked for our assistance in start-up. More details in the future.
- ❖ Charlie L will be attending a deer management convention in St. Louis Feb 17th and 18th.
- ❖ The Legion range is in need of repair and it was discussed to set a date and time in the future to do so.
  - Since the meeting, it has been learned that Hubert Fiberboard in Boonville, supplier of the repair material, has closed its' doors. But, after many phone calls, we have obtained word that material will be secured.
  - Last word was the MO Conservation Dept. will bring the material here to Columbia, store it till we are ready next month and Lacrosse Lumber will cut it to size. At the March meeting, a date and time to do repair work will be set.
- ❖ Reminder: A Day with Wildlife is set for April 1st. We will be setting up volunteers for this at the next meeting.
- ❖ Lastly, at the Feb meeting, the Best and Last Deer of the Season Awards were given out. Congrats to Allen Bock (9pt buck) and Kelly Veach (last afternoon doe).
- ❖ Respectfully submitted Allen Bock

---

### Upcoming Dates to Remember
