
Columbia Area Archers

Newsletter

<http://clubs.bowhunting.net/caa/caa.htm>

Next meeting agenda Thursday, April 5, 2001 7:00pm:

- ❖ Dept. of Rec. discussion and work schedule.
- ❖ Talk Turkey or Turkey Talk???
- Discuss favorite tactics, calls, setups, broadheads, etc.

Minutes of last meeting, March 1, 2001:

- ❖ Treasury Report \$1096.81
- ❖ Reminder that A Day With Wildlife will be at the American Legion, Sunday, April 1st.
 - Kerwin will head up the kid's archery, which we do every year. Times are 12 to 5 p.m.
 - Please try and come by to help out.
- ❖ The Columbia Parks and Recreation has asked us to run a kid's archery activity, Saturday, April 14th from 10:30 to 11:45 am.
 - This will consist of a demonstration of techniques, safety procedures and all around fun for kids 8 to 12 years old.
 - We finally have been paid this year for putting this on for the Parks and Rec.
 - At the April 5th meeting, we will discuss workers for this event.
- ❖ We have been successful in obtaining fiberboard from Hubert's in Boonville. If you are not aware, Hubert's is no longer open for business.
 - At this writing, the range has been repaired. On Saturday, March 17th, members Rick Campbell, Tom Coyle, Kerwin Crawford, Charlie Langreder, Brian Sprock, Jim Wiseman, and myself, Allen Bock. We also had a prospective member help, Michael Scherrer.
 - Conservation Agent Jim Schwartz had delivered the material for the repairs.
 - With all the help, it did not take very long at all!
- ❖ Charlie Langreder had attended the Deer Management Conference in St. Louis last month and found it very interesting and informative.
- ❖ Charlie also commented that member Denny Ballard with the Conservation Federation is working on many resolutions, but two are of special interest to archers.
 - One is asking for additional antler-less permits for archers across the state.
 - The other is asking for a ruling that fenced compound hunting areas will not meet "fair chase" rules.
 - Details will follow when more is known.
- ❖ Finally, on a sad note, many of you may know already, but an archery icon, Earl Hoyt Jr. of St. Louis, has passed away. He will be missed.
- ❖ Submitted by Allen Bock
- ❖ Good luck to you that are going south for some pig hunting this spring.
 - Jim, Charlie and Allen are with Jeff Massie near Kingsville, TX.
 - Rick L. is going somewhere in North TX.
