Next meeting agenda, Thursday, August 2, 2001 7:00 p.m.:

- ❖ We will meet at the **American Legion Range**.
 - We will have a short meeting.
 - We will be talking about putting on another bow-tuning clinic this year Saturday Sept 22nd.
 - The Columbia Parks & Rec has contacted us and will advertise in the Leisure Times flyer.
 - Please plan on attending and helping out that day 12 to 4pm at the American Legion Range.
 - We will shoot. Bring Your Bows.

Minutes of last meeting, July 5, 2001:

- ❖ Charlie Langreder started the evening with an overview of the newly-created Youth Firearms Deer Season.
 - The MDC will be allowing Missouri residents age 15 and under to hunt October 27- 28. This can and will affect bowhunters since that weekend will most likely be the first of the rut. Most bowhunters wait all year for just this time. Now, our time afield those 2 days will be shared with a gun-toting youth accompanied by a licensed adult (17 or older).
 - While we do want to encourage young hunters, there may be better days to accommodate everyone. This year, you may find your favorite hunting spot compromised by additional hunters carrying firearms.
 - Also, you as a bowhunter will be required to wear Hunter Orange.
 - Please voice your opinions on this matter by contacting :
 - Jerry Conley-Director
 - Missouri Dept of Conservation
 - P.O. Box 180
 - Jefferson City, Missouri 65102-0180
 - While it will be too late to change the season this year, enough letters can affect a change next year. Sometimes, 3 letters can help. Sometimes, it takes hundreds, so spend a stamp as I did.
- ❖ Charlie also spoke about MDC discussing a possible third archery deer tag. Keep your fingers crossed.
- ❖ Jim Wiseman spoke about recent trip to Strasburg, IL to compete in the NFAA Outdoor 3D.
 - CAA members who attended included Jim and Josh Wiseman, Charlie Langreder, and myself, Allen Bock.
- ❖ Dan McCray talked about a future elk hunt in Colorado.
- ❖ After the discussion portion, we shot until dark. Hope to see you at the next meeting.
- ❖ Submitted by Allen Bock.
