### ***Next meeting agenda, Thursday, October 4, 2001 7:00 p.m.:***

- ❖ We will meet at the Optimist Clubhouse.
- ❖ No program scheduled but planning on discussing 2001 Archery Deer season opening
- ❖ Ordering pizza, CAA treat.
- ❖ Will remind members of Share the Harvest program.
- ❖ Discuss Bow Ed Class involvement.
- ❖ We will discuss if we are interested in having another Best Buck/Last Deer contest again this season.

### ***Minutes of last meeting, September 6, 2001:***

- ❖ Brian Flowers - Regional Outdoor Skills Supervisor spoke of Bowhunter Education / Instructor rectification and future classes. Much interest in CAA starting up classes again, student and instructor. Tentative student class scheduled for Feb. 15th and 16th 2002. Brian stressed a minimum of 10 students will be needed.
- ❖ Discussed the Bow-tuning clinic Sat. Sept. 22nd. Purchase of a broadhead target was motioned and voted on.
  - At this writing the Bow-tuning clinic is past history. Jim Wiseman and myself ran the clinic. Excellent weather, approx. 16 "customers" attended. I think all felt like they left shooting more accurately judging from the thanks we received. Many who attended are planning on coming to the Oct. meeting and joining the CAA!
- ❖ Discussion of our "Mystery Deer" contest. Keep track of date and time of your archery harvests and report to me, Allen Bock. At the end of the season we will randomly draw a date and time to award a member a prize to be decided yet. Get out and fill those tags and increase your odds. Closest date and time wins!
- ❖ Remainder of meeting spent listening to Sylvester Walls speak of recent elk trip to Colorado. He brought in 5x5 to show off, told of fellow hunters stories and success. 3 of 5 hunters scored, one a magnificent 6x7
- ❖ Dan McCray and Kerwin also had gone and shared their experiences also. Their party bagged a small mulie and 1 4x4 elk.
- ❖ Submitted by Allen Bock.
