### ***Next meeting agenda, Thursday, March 7, 7:00 p.m.:***

- ❖ Discuss The Deer Classic.
- ❖ Discuss possible events and meeting topics.

### ***Minutes of last meeting, February 7, 2002:***

- ❖ Treasury Report \$773.09
- ❖ Main event of the night was Wild Game Supper.
  - 27 people were present and nobody went home hungry. This has become the event of the year.
  - Fortunately javelina was brought.
- ❖ Shooting tent discussion was on the agenda.
  - It was approved for Allen to purchase 18x18 Lexan sheets for the targets.
    - This will allow the rubber-tipped arrows to bounce off without tearing up the paper targets.
    - Kerwin has ordered another 20x30 tarp for the back.
    - We are still waiting for the safety net which is on backorder.
    - We will set up a gathering time at Jim Wiseman's house to brainstorm and finish up assembling the tent.
    - We're getting down to crunch time since the Deer Classic is March 2nd and 3rd.
- ❖ Congrats to Dan McCray, winner of this years "Mystery Deer" drawing.
  - Dan has won a \$50 gift certificate to Powder Horn Gun Shop.
- ❖ At this writing the Bow Ed class Feb 15th and 16th is history.
  - 12 students attended 9 of them being CAA members.
  - Class was taught by Denny Ballard and assisted by Kerwin Crawford, Tom Coyle and Rick Lanham.
  - All agreed it was a success and we eagerly await the next phase of Bow Ed Instructor Class
- ❖ Next CAA meeting is March 7th at the Optimist Clubhouse where I'm sure we will discuss the success (hopefully) of the CAA Shooting Tent debut at the Deer Classic.
- ❖ Submitted by Allen Bock
