### *Next meeting agenda, Thursday, April 3, 2003 7:00 p.m.:*

- ❖ WORKDAY WILL BE NEXT MEETING.
  - As soon as possible after 5:30pm April 3rd we will do the range work then a short meeting.
  - Also plan to help out on Sunday at "A Day with Wildlife."

### *Minutes of last meeting, March 6, 2003:*

- ❖ Meeting was held at the MU Museum Support Center where we viewed the Grayson Archery Collection.
  - Bows, arrows, and other archery related items were available for us to not only view but carefully handle as well.
  - Items ranged from arrows labeled by Indian tribe to early compound bow designs, Various Japanese special purpose arrows to African bows and way to much to list all here.
  - Thanks to Bill Kist for putting this together. This was a special treat!
- ❖ After we toured the collection members discussed upcoming plans for "A Day with Wildlife" April 6th.
  - The butts at American Legion are in bad need of repair and Charlie will coordinate with Brian Flowers of MDC and Tom Coil to get the needed materials.
  - WORKDAY WILL BE NEXT MEETING.
  - As soon as possible after 5:30pm April 3rd we will do the range work then a short meeting.
  - Also plan to help out on Sunday at "A Day with Wildlife."
- ❖ It was reported that the 4H paid the club \$100 for the use of the Shooting tent and equipment at the Deer Classic. The 4H said it was an enjoyable challenge for kids and parents alike and was always busy.
- ❖ Last discussion on the agenda for the evening was the upcoming trip to Texas for many members. Plans being made to get there and back besides talk of arrowing a Pope and Young Pig. Hah! Stories of the hunt will be of the agenda for the April 3rd CAA Meeting at the Legion Range after 5:30
