

Columbia Area Archers

Newsletter

<http://clubs.bowhunting.net/caa/caa.htm>

Next meeting agenda, Thursday, August 7, 2003 7:00 p.m.:

- ❖ The next meeting will be at the Downtown Optimist Club house.
 - Kerwin will lead a discussion about what to carry in your survival kit.
 - What equipment do you carry? Come and share your thoughts.
 - Dennis Ballard will also lead a discussion about the push to have cross bows legal for archery.
 - Dennis has been attending several discussions about this hot topic.
 - Come and hear what is going on.

Minutes of last meeting, July 10, 2003:

- ❖ Treasury Report \$538.55
- ❖ The meeting was held at Rockbridge State Park. Tim Hennessy had a route planned to test members ability to plot and navigate with map and compass.
 - The park has quite a set-up with a network of markers spread across the park property. Each marker is labeled with a unique set of letters so hikers can compare with others to ensure that the correct marker was found.
 - After the members completed the course set up by Tim we met in the park at one of the park benches and had a general discussion.
- ❖ Allen had reported that the City of Columbia Parks and Rec had not yet paid us for the kid's archery class we taught Sat May 10th.
 - The Parks and Rec will be reminded that this is still outstanding.
- ❖ Next meeting will be held at reg time (7PM) at the Downtown Optimist Club house.
 - Program will consist of survival skills/recommended equipment. Be sure and attend!
- ❖ When at the meeting be sure and get with Allen and check your club membership dues.
 - We are trying to get all membership dues to expire at year-end and if you are due now we will pro-rate to get you current to that effect.
- ❖ Submitted by Allen Bock
