Next meeting agenda, Thursday, April 1, 2004 7:00 p.m.:

- ❖ **Speaker - Randy Smith of Cannon Country Calls - Spring Turkey Season**
- ❖ A Day With Wildlife discussion.
- ❖ Bowhunter Ed class
- ❖ Survey – An email will be sent out following this note with the survey. Please read and return. It will be sent out from our new yahoo.com address. Please reply to that account.
- ❖ New email address, The club has a new email address and will sending emails out using it after this note. If you get a message from ColumbiaAreaArchers@yahoo.com it is not spam. We are going to use it also to receive message from people also. We will check the account at least once a month, before meeting. Therefore do not expect fast replies.

Minutes of last meeting, March, 2004:

- ❖ Meeting started off with a reminder to all members that we the club will be doing the kids archery portion of the MDC's "A Day With Wildlife."
 - We will be needing assistance with this on Sunday April 4th 12 to 5 PM. Please come to the April 1st meeting or let an Executive Member know what time you may be able to volunteer. A 2 hour shift would be helpful.
 - ❖ Allen mentioned that Boone County Bank has required the club to have a tax identification number. The federal government wants all checking accounts to be filed. Now after applying the CAA is in compliance and has a TIN (Tax ID Number.)
 - ❖ At last meeting we discussed the American Legion Range and its need for repair.
 - Allen has spoke with Brian Flowers of the MDC after the OK Tom Coyle will be picking up 440 sheets of fiberboard from Boonville.
 - Range repair will be March 24 after 5PM with a rain date of the 25th. Please try and attend to assist in this work. It will not take but 45 min to an hour with the proper help.
 - Bring your bow and test it out after completing.
 - ❖ In conversation with Brian Flowers he mentioned if we the CAA were interested in conducting a Bowhunter Ed class and Instructor class. To discuss a date at next meeting and contact him.
 - ❖ Next the discussion of the probable options the MDC may be considering concerning the Deer Management Program.
 - ❖ At the last meeting we decided it would be time to have elections of new officers and from these actions the new Executive Committee will be Jim Wiseman, Kerwin Crawford and Rick Lanham with Allen Bock as Secy/Treas.
 - ❖ Jim felt it would be a good idea to have a survey to get an idea what members and prospective members interests are and want from the CAA.
 - A survey will be conducted. When you receive this survey please take the time to fill it out and add your comments.
 - It was discussed that this survey will offered online and also hard copy at selected places of businesses to reach as many archers as possible.
 - ❖ At this writing the Deer Classic is history with our Shooting Booth again being a great hit being run by the 4H in conjunction with their pellet gun trailer and also the laser range.
 - Greg Van Hove of the 4H reported even greater interest than last year! Partly due to a better location within the building. Organizers of the Deer Classic were pleased with the presence of our booth!
 - ❖ Rick Lanham mentioned a possible opening in a June bear hunt to Quebec. Contact Rick if interested.
 - ❖ Lastly please try and attend the April 1st CAA meeting at the Optimist Clubhouse. Rick Lanham has secured Randy Smith of Cannon Country Calls to speak on turkey hunting. What a tune-up before spring turkey season!
 - ❖ Submitted by Allen Bock
