

Minutes of July 1st CAA Meeting

Treasury report \$660.59

The meeting was held out at the American Legion range with our program highlight being "Outdoor Cooking" with Ken Canada. Ken treated us to elk/deer steak fajita's. Members brought side dishes and everyone enjoyed the meal. Total cost for the event was \$50.55.

After the meal Jim Wiseman introduced Joe Pendergrass of the UBM. Joe spoke of UBM's willingness to work with other groups such as ourselves to voice concerns in archery-related issues in the future. Also he talked of UBM events and projects.

Member Brian spoke of recent hunting trips to Shiloh Ranch in Stonewall OK and Bow Safari in Coalgate OK. Brian had went for hogs at both but Bow Safari is also known for it's exotics, rams and whitetails. Paperwork concerning booking will be on file with Club Sec.

Afterwards talk centered on the recent Tom Jennings estate sale which quite a few CAA members had attended. Quite a bit of modern archery history memorabilia was available.

Since the meeting but before the writing of this an issue has come up. The CAA has been approached by the NOMO Archery Club of Moberly. NOMO will be hosting the MBH State 3-D Championship this August 22nd and are soliciting donations to purchase targets. If we the CAA would contribute \$100 to \$150 we would be guaranteed a sign at the MBH Championship next to our target. The target and the sign would remain the property of NOMO and be displayed for 1 year at all their regular shoots. This would be an excellent way to advertise the club and promote archery! At the August CAA meeting we will have a vote on whether we would like to do this. Please attend and make your vote count!

Next meeting is August 5th 7PM at the American Legion range. Guest speaker is Lee Brandkamp of PowderHorn Gunshop talking about foodplots, the secret of successful deerhunters. Bring your bows to shoot after the talk. Hope to see you there!
