

## Minutes of November 2nd CAA Meeting

### Treasury report

Beginning November balance	\$628.91
Deposits	
Membership Dues payments	\$36.00
No expenses	
Ending balance	\$664.91

Meeting started out with round table hunting stories, some successful, some not. Remember to report your archery harvests for the Mystery Deer drawing at the February Wild Game Supper. More members have reported in including a nice buck by Brian Sprock!

It was discussed that at the Dec 7th meeting we would take a head count at 7:15 and order pizza! Hope to see some more members there!

Additional discussion about the Legion/Mavericks situation. At last report it may go to an American Legion Membership vote before moving to the next stage--whatever that may be.

Kerwin had brought alot of his arrow building tools, equipment and supplies for our Meeting Program. From arrow dip tubes to feathers galore Kerwin filled us in as to traditional arrow building. I know that I myself have found a new respect for the workmanship involved constructing an arrow.

Hope to see you for pizza Thursday nite at the Optimist Clubhouse.

Allen Secy/Treas
