Lee Brandcamp of Powder Horn Gunshop spoke about his business moving to a new location. (the old Sutherland Lumber building) He will putting in a 20yd archery range inside. (11 lanes) We talked about what we would like to see involved with an indoor range and Lee is open to all ideas and suggestions. Everyone agreed that this was an exciting future and would look forward to the opening of the new shop! In the future we may hold our monthly meeting at the shop to include shooting into the evening.

Elections were the focus of the March meeting and after much discussion it was agreed and voted upon that Rick Lanham would take over duties as President with Miles Tanner as Treasurer and Tim Hennessy as Secretary.

Outgoing Secy/Treas Allen Bock mentioned our committment to the Cub Scouts April 24th to teach an archery class which Allen and Jim Wiseman will conduct. Also Allen read a letter passed on by member Bill Weitkemper detailing the City of Columbia's Urban Bowhunting for 2006. A total of 55 deer were reported on the 7 different parcels of City property which allowed hunting. This was up from the 38 reported for 2005 and the 2004 harvest of 22 deer. No significant problems were reported between hunters,neighbors and/or others enjoying the areas.

Range repair will be done at the Legion range Wednesday March 21st at 5PM with a alternate date of the 28th to get ready for our committment to the April 1st "A Day With Wildlife" Rick L will coordinate with Brian Flowers of the MDC and Tom Coyle to get the material to repair the target butts and a sign up sheet was passed around to schedule workers for the event which will run from noon to 5PM. Stop by and help for an hour or two if possible. A discussion of the fate and future of the Legion range was next at the meeting and it was agreed we needed to pursue a conversation with the Columbia Parks and Rec. as to it's importance to the community.

Hope to see you at the the range Sunday April 1st and at the next meeting April 5th at the Optimist Clubhouse(7PM.)

Allen Secy/Treas
