Columbia Area Archers Newsletter

Short Newsletter-monthly meeting

A few members met at the Am. Legion archery range Thur. June 7 discussing a few past and future activities and concerns.

Jim, Allen, and Charley recently got back from a Canadian bear hunt and were all successful. Jim and Allen brought great pictures and even a short dvd video displayed on a laptop. I'm sure it was a trip they will never forget. I know I was drooling with jealousy! ha ha. I think we all desire to experience the North Woods someday!? Maybe we'll get some pic's on the webpage for all to view.

The UBM rendezvous was mentioned to be coming up June 22-24 for the Traditional Nuts but overlaps somewhat Vince Bells tentatively offering to have a fish/BBQ/bow shoot @ his home on the June 24 sunday. We'll keep you posted on Vince's pow-wow.

There seems to be a small problem with the club hats(caps) being made but Rick L. will solve it I'm sure.

Kerwin was reimbursed for his web site expenses by Miles.

Speaking of hats and Kerwin, ( A big hats off to Kerwin for his exemplary effort toward the club webpage work and all his time.

A few ideas are being kicked around like the creation of a largest bowfishing prize each year similar to the annual random drawing deer prize.

I'm sure most are aware that the Powder Horn has moved and is now open for business with an indoor archery range. There seems to be some interest in a league and if anyone is, now is the time to voice an interest! A few members are going to try and meet on tuesdays to shoot and a overwhelming showing might spark a little positive competition.
