Columbia Area Archers Newsletter

You are welcome to a fish fry/BBQ (for fun bow shoot) at Vince Bell's property a few miles north of Columbia on Sunday June 24 around 3:00 Pm. To know how much fish to shaw out,(for a headcount) an RSVP would be appreciated to Rick Lanhams cell 424-0994, and leave messege if he can't answer. It is potluck so bring a little something if you can. Also, if you have an animal or whatever target you could drag along without to much trouble bring it also. I believe Vince is letting kids fish if desired.

Directions are below and an additional google map can be found on the Archery clubs website (www.columbiaareaarcher.com) under "future events".

From I-70 and HWY 63, go north on 63 to Rt. B, take Rt.B north past Quacker,3M,Hoods. At stop light turn right (north). You will see Catfish Corner. Go north past HH intersection stop sign. After passing thru the intersection take the first paved road on the right which is O'Rear road. Go about 1.5 miles on your O'Rear road. Go past Hillview Subdivision and O'Rear turns to gravel. Take first road on left (Sheridan rd.) going about .5 mile and at the top of the hill on the left is Vince's home. Across the road from his house is a pond and pavillion. (Listen for the Beagles barking!)ha!

Look forward to seeing you there! Tim
