

20071003 C.A.A January meeting reminder

It is time for our Oct. meeting.

We have Jim Loveless coming to speak to us about the range. He says it will be a short report so far. Jim is retiring at the end of the year.

This meeting will be the last before our shirt order is placed. Several people could not make the last meeting and wanted shirts.

The hats continue to be a problem.

I know of 1 doe taken so far. Any others?

Has everyone seen our web site with the monster grass carp Dan McCray shot? Wow!

If it is too hot for you to hunt, you can still bowfish!

See you there, Rick
