

20080101 C.A.A January meeting reminder

Happy New Year folks! Just reminding you about the meeting Thursday at 7pm. The club shirts are in and can be picked up. A second order of shirts is about to be made with 15 more wanted. If any one wants in on the 2nd order speak up.

Rabbit Hunt- I believe we are planning a rabbit hunt for Saturday, 19th of January for those interested.

From what I have heard MDC is proposing some regulation changes next year and we are trying to get Lonnie Hansen to come talk a bit about them but nothing confirmed yet. If I'm not mistaken he will be having meetings around the state regarding this topic.

In the last meeting the Idea of the club supporting a 4-H shooter financially, to go to national shoots was kicked around. It sounds expensive but maybe several backers combined could or would be interested in supporting such an endeavor.

Also: * Is any one interested in a Bow Pheasant hunt at Mosers?
 * Hog / Javey hunt this year?
 * A club Antelope Hunt?
