

20080131 Columbia Area Archers

Hi all,

In looking at the Columbia Area Archers web site I realized that we do not have any recipes on the recipe page.

So I am putting out this request for recipes.

If you bring a wild game dish to the wild game dinner please bring the recipe used.

If you have one you like to share just email it to me at webmaster@columbiaareaarchers.com.

Thanks Kerwin.
