CAA Range Repair and meeting reminder

Just a quick reminder of the archery range repair Wed. at 5:30 p.m. and Thursdays meeting at 7:00 p.m. There is a group planning to bowfish the Lamine River this Saturday to talk about, if interested. There is also some planning to be made for this months Table Rock Turkey/Bowfishing trip and some very exciting news about an opportunity to hog hunt on an exceptional piece of property, which might have limited slots available.

Come join us and shoot the bull!
