-The rescheduled range repair day at the American Legion is WEDNESDAY 4-09-08 at 5:30 and very generous Tom Coyle has picked up the new material will have it ready.

-Dave Deitrick, representing Big Brothers/Big Sisters talked to our group asking for volunteers for archery instructors at an upcoming event. Outdoor Mentoring is a program where kids meet at an outdoor event each month. Their April event is at Camp Hickory Hill on the last Saturday of the month, April 26 from 3;30-5 with 28 or so 9-14 yr. old kids. The place is just about 7 miles north of Columbia on Rt. E(N. Stadium)near the general store. All he is looking for is a volunteer or two for about an hour and a half. If anyone is available

Rick L.(424-0994) can get you his #.

-Also: A volunteer or two is needed for 9-10 scouts at Rock Bridge elementary Tue. April 29, at 6:00 p.m.

-Joe Pendergrass is trying to get together a group for a group bowfishing trip at Fayette City Lake or Eagle Bluffs April 19 Joe also has looked further into the Tablerock bowfish/turkey hunt trip. The owner of the resort is willing to provide a pontoon boat dropping off hunters just a 15-30 minute boat ride from the Indian pt. Resort. shooting for the first Saturday of Turkey season.

-Kerwin Crawford was graciously offering to have a BBQ/for fun bowshoot at his place tentatively May 17 for anyone interested.

-Rick L. is still waiting on the Wyoming landowner to contact him regarding an Antelope hunt. There are several people very interested to do this trip around mid August to Sept. time frame. It will require applications in the second drawing, which supposedly can have many tags made available by nonfilled residents. I believe the bowhunt starts about 30 day ahead of rifle season. A campout situation/area 29 north of Douglas Wyoming.

-Rick also filled us in on the Hog hunt specifics for TX. This hunt sounds like a hunt you won't want to miss. Catula TX. is about 75 miles south of San Antonio, sometime between Feb. and March on a 10,000 acre ranch for about 100 a day which includes lodging. 2 javilina but hogs unlimited. It sounds like the first week of 16 people may be already filled so we are looking into possibly booking a second week.

sincerely, Tim Hennessy-Sec.
