TOPICS

- BBQ and shoot at Kerwin Crawford's
- minor fish prize changes for next years contest
- members assisting youth groups last month
- ! good news on TX hog hunt/info./ additional week

Kerwin has invited members and friends to his home for a BBQ on Saturday 5/17 starting around 3 and firing up the grill around 5:00. Bring your bow and if you can a side dish. He said he has targets scattered around the property to shoot at. He would like as RSVP for a headcount, if possible on the club website under Webmaster. I think he'll have directions on the website too.

It was suggested and overwhelmingly agreed upon to up the club cost toward fish contest prizes for this fall from 50 -75.00, which several vendors generously sell the club at cost.

Club members assisted with thankful cub scouts on Archery demo/instruction at the archery range last week. Thanks Kerwin and Miles for stepping up to help our next generation of archery enthusiasts. Also a thanks to the (SCA) group for sharing the range that day.

We have been offered a second week of hog hunting in Texas. As you may know we have enough signed up (16 or so) to possibly fill one week starting March 21 (spring break) however the second week in February has been made available too. Sign up at the June 5 Club meeting for it may fill up quick.

( A FEW DETAILS )

\*100/day w/housing provided

\*45/5-day small game tag

\*kids up to certain age free w/adult

\*get there on a Sunday, start hunting on Monday

\*gas is high but since housing provided, carpooling, little gear needed

\*Wensel brothers leased it not once but twice last year

\*huge ranch and manager will prebait areas in advance

\*more details at the next Thursday June 5 meeting

- Lets show Kerwin our appreciation and show up at his BBQ with hardy appetites, and see if he indeed makes the best burger in Boone County.
